Educational Qualification:

S. No	Qualification	Name of Institution	Year of Passing	Percentage/ CGPA
1	B.E. CSE	Stella Mary's College of Engineering, Nagercoil	Pursuing	8.1
2	Higher Secondary	Joseph's Matriculation H.S.School, Colachel	2022	75%
3	SSLC	Joseph's Matriculation H.S.School, Colachel	2020	97%

Technical Skills:

- **Programming Languages:** Python, Java (OOP), C (Basics), C++ (Basics)
- **Frontend Technologies:** HTML5, CSS3, JavaScript, React, React Native
- **Databases:** SQL, MySQL (Basic)
- **Tools & Technologies:** VS Code, Git, GitHub, Postman
- **Other Skills:** Debugging, Problem Solving, Microsoft Office, Basic UI/UX Principles.

Professional Experience:

Frontend Developer (Mobile & Web) - Iniram Square Pvt Ltd (Dec 2025 - Mar 2026)

- Developed responsive web and mobile applications for **Admini**, an AI-powered automation platform, building intuitive dashboards, workflows, and user-centric UI components
- Integrated **RESTful APIs** and collaborated with design and backend teams to ensure seamless data flow, smooth integration, and consistent user experience
- Optimized performance and responsiveness, and recognized for **strong UI/UX implementation, attention to detail, and proactive problem-solving**

Internship details:

- Completed 1 month Internship to study **Java Development** at Jclick Solution, Nagercoil (October 2025 to November 2025)
- Completed 15 days Internship to study **Frontend Web Development** at Clovion Tech Solution, Azhagiyamandapam (June 2025 to July 2025)
- Completed 15 days Internship to study **Python** at Feathers Software, Nagercoil (Mar 2024)

Certificates/ Training:

- Certificate in C++ at BITS Information Technology (March-2022)
- Certificate in Building and Deploying Web Apps (June-2024)
- Certificate in Web Development (Dec-Mar 2023)
- Completed an “Employability Skill Training Programme” by Mahindra Pride Classroom.

Projects:

1. Web Development

- Developed a **Personal Portfolio Website** to showcase projects, skills, and achievements with a responsive design.
- Built a **Cloud Kitchen Website** with dynamic menu display and online ordering workflow for better user experience.
- Created an **Exam Management System** with secure staff and student login, enabling efficient data handling.
- Designed a **Cafe Website** with Online Ordering, implementing menu display and order processing functionality.

2. Mobile app Development (React Native)

- Building **GlamAI** app, an AI-powered React Native app that analyzes user images and generates personalized fashion recommendations using API-driven intelligence.
- Developed cross-platform mobile applications using React Native with user authentication (login/logout) and dashboard features.

Workshops:

- Participated in a workshop to learn Full Stack Development.
- Participated in a workshop to learn Firebase Realtime Database.
- Participated in a workshop to learn Power BI.
- Participated in a workshop to learn Building Web Development with Asp.NET.

Extra-curricular activities:

- Participated in a “Poster Presentation” competition at district level event at a moto of Stop Smoking (March, 2023)
- Participated in a School level “Quiz competition” on the eve of Independence Day at School in X standard (August, 2019)

Achievements:

- Secured 1st place in “Poster Presentation” at National Pollution Control Day – 2022
- Secured 2nd place in “Poster Presentation” at International Women’s Day– 2023

Personal Strengths:

- Self-motivated and proactive team worker
- Adaptable and flexible in dynamic environments
- Quick and continuous learner
