Letter of Recommendation

Ms. Jeniber Jeya J,
Frontend Developer,
Iniramsquare Pvt Ltd.

I am pleased to recommend Ms. Jeniber Jeya J, who has been working as a Front-End Developer for our product Admini at Iniramsquare Pvt Ltd.

During her time with us, she has played a key role in developing and enhancing the user interface of Admini, an AI-powered automation platform designed to simplify digital marketing for small-scale businesses. She has consistently delivered clean, responsive, and user-centric interfaces that align well with the product's vision and user needs.

Jeniber has demonstrated strong expertise in front-end development, effectively translating UI/UX designs into functional, high-quality code. She has contributed to building intuitive dashboards, automation workflows, and interactive components that improve overall user experience and engagement.

Her attention to detail, sense of design, and ability to maintain consistency across the product have been particularly impressive. She actively collaborates with designers and backend teams, ensuring smooth integration and efficient development processes.

Beyond her technical abilities, she is a dedicated and proactive professional who approaches challenges with a problem-solving mindset and a strong willingness to learn and improve.

I am confident that her skills, creativity, and commitment will make her a valuable asset to any organization. I strongly recommend her for opportunities in front-end development and product-based roles.

Sincerely,

Anton Richards
